

DISTRICT OF SECHELT
MINUTES OF THE REGULAR COUNCIL MEETING
held at 5797 Cowrie Street, Sechelt, BC
Wednesday, May 2nd, 2018
7:00pm

PRESENT Mayor B. Milne; Councillors A. Lutes; D. Inkster; M. Shanks; D. Wright; and D. Siegers

REGRETS Councillor N. Muller

STAFF Chief Administrative Office A. Yeates; Director of Corporate and Financial Services D. Stewart; Director of Planning and Development Services, T. Corbett; Corporate Officer J. Frank; Municipal Planner A. Letman; Community Planner A. Thompson; and Recording Secretary M. Sugars

1. CALL TO ORDER AND DECLARATION OF CONFLICT

The Mayor called the Regular Council Meeting to order at 7:02 p.m. and asked for any declarations of Conflict of Interest.

2. ADOPTION OF AGENDA

Res. No. 2018-5A-1 – Moved/Seconded

That the Agenda for the Regular Council Meeting of May 2, 2018 be adopted.

CARRIED

3. APPOINTMENTS AND DELEGATIONS

3.1 Mike Lightbody, representative for the Strongman Group – Oceanview Villas Development Permit Application

Mr. Lightbody addressed Council regarding the Oceanview Villas Development. He wished to clarify some misinterpretations that took place at the previous Planning and Community Development Committee Meeting. Mr. Lightbody thanked the West Sechelt Community Association for providing their detailed review of the proposal and expressed that interaction between the developer and the community plays a key role in the progression of a development. Mr. Lightbody confirmed the following:

- There are currently no easements on the property; thus, construction will not take place on any easements.
- Throughout the development of the entire site, deposits of material have been left in piles on the property. This material is being removed in order to return the

property to natural grade and meet existing roads. The development is not modifying grade to achieve height.

- The proposed buildings are lower than the specified allowable height under the zoning of the property.
- The proximity between buildings are no closer than the original, approved development permit.
- Retaining wall systems are the same height, in terms of road access, as the original, approved development permit.
- Storm water services have remained very similar to the original permit. Proposed buildings were designed around the existing services in order to minimize ground upheaval.
- Building eave sizes were reduced by two feet, except over entries covering a landing or stairway.
- The stairs located internally from the garage to the units will serve to be the primary entrance, with the half-level external stairs serving as the “front door” of the units. This allows half of the units to have at-grade level entrances. External stairs are also meant to add an aesthetic benefit.

Mr. Lightbody concluded his presentation by stating that there has been a large amount of evolution to the project over the last three years and believes that the current proposal encompasses the needs of the community.

A brief question and answer period followed. Mr. Lightbody further communicated that:

- A meeting was originally held with the existing strata, which led to the decision to subdivide the property. This subdivision created the requirement for an additional road network in order to access each development independently. Dialog with the existing strata is ongoing.
- The main concern of the West Sechelt Community Association appeared to be the proposal of a three storey building. This prompted the developer to modify the design to the current proposal of a two storey building, which he believes is more in keeping with the original development permit. Community Association concerns were also relayed to the developer through the District Planning Department and word of mouth.
- The total lot coverage is within the allowable %75.
- The aesthetic design of the building is in line with the original development permit.
- Permeable materials are being incorporated into the site.

The Mayor thanked Mr. Lightbody for his presentation.

3.2 Mike Lightbody, representative for the Strongman Group – Seaview Villas Development Variance Permit Application

Mr. Lightbody explained that the Planning Department has fully covered the topic of the Seaview Villas Development Variance Permit Application and believed that his presentation is no longer required.

3.3 Bob Sangster, representative for the West Sechelt Community Association(WSCA) – Oceanview Villas Development Permit Application

Mr. Sangster addressed Council regarding the Oceanview Villas Development and expressed the following:

- the current proposal's density is too high for the site;
- he believes the building is to be constructed on raised grade;
- the original, approved development was reasonable to the community;
- concerns regarding the amount of provided parking stalls, and the likelihood of increased street parking;
- concerns that neighbouring views will be impacted;
- the development process was not followed by the District.

Resident Robert Kaatz was recognized by the Mayor as part of the delegation. Mr. Kaatz confirmed that the WSCA is unclear about easements and setbacks on the property, however stated that they are opposed to paving over setbacks. He also expressed his belief that the natural grade of the property is quite steep, but is glad to hear that material deposits will be removed. Mr. Kaatz concluded the presentation by stating that the land should not be manipulated to accommodate the building and believes that the current proposal does not comply with the Official Community Plan (OCP).

The Mayor thanked Mr. Sangster and Mr. Kaatz for their presentation.

4. PROCLAMATIONS

None.

5. ADOPTION OF PREVIOUS MINUTES OF COUNCIL

5.1 Minutes of the Regular Council Meeting of April 18th, 2018

Res. No. 2018-5A-2 – Moved/Seconded

11. REPORTS FROM COUNCILLORS

11.1 Reports from Councillors

Reports on Liaison Activities, General Reports

Councillor Wright reported on his attendance at the Planning and Development Committee meeting, and participation in the CAO's annual review. He also attended a meeting with the Natural History Society and the Day of Mourning Ceremony which took place for the first time in Sechelt. Councillor Wright also attended McHappy Days, the Respectful Workplace workshop, a meeting regarding water and a number of coffee dates with residents.

Councillor Siegers noted her attendance at the Library Board meeting and participation in the CAO's annual review. She also attended the Day of Mourning ceremony, McHappy Days and the Respectful Workplace workshop. Councillor Siegers attended the BC Parks meeting and was pleased to take part in the Sechelt Reconciliation movement. She also attended the Search and Rescue fundraiser barbecue and appeared on Coast TV as a part of the "100 Women Who Care" which is an organization set up to provide funding to charities on a quarterly basis; their next meeting is scheduled for May 28th.

Councillor Lutes noted her attendance at SCRD Committee meetings and the very moving Reconciliation Project at the longhouse. She also attended a Community Action Team meeting which focused on harm reduction on the Sunshine Coast. Councillor Lutes mentioned the Day of Mourning Ceremony and thanked the Parks and Public Works staff for preparing the marker and surrounding grounds. She also attended the Search and Rescue barbecue.

Councillor Shanks commented on the busy upcoming season and his participation in the CAO annual review as well as the Respectful Workplace workshop.

Councillor Inkster noted his attendance at the BC Parks meeting regarding water which

was held at the Seaside Centre and the Day of Mourning Ceremony and thanked the Parks and Public Works staff for preparing the area for the event. He also attended the Reconciliation event and a meeting with the Natural History Society, where the Sechelt Marsh was discussed. He noted that some information and recommendations from this meeting will be coming forward to the Public Works, Parks and Environment Committee meeting.

Mayor Milne detailed the Library Board meeting and noted that a discussion with the community must be held regarding space and resource support for the library on a regional basis. He also attended the Reconciliation Movement where a number of Councillors were called on as witnesses. Mayor Milne also congratulated Councillor Lutes on the Day of Mourning Ceremony and organizing the installation of a plaque in Sechelt.

11.2 Reports from SCRD Board Council Representatives

The SCRD Board representative, Councilor Wright, noted the SCRD Infrastructure Committee meeting which discussed eight reports regarding water. He also attended the Police Commission meeting, the Transportation Advisory Committee meeting, and the Hospital Board meeting. Councilor Wright also attended the Corporate and Administrative Services Committee meeting and the SCRD Board meeting where OCP amendments and audits were finalized.
