To Whom it May Concern:

This letter is to offer my support for the expansion and enhancement of the Sechelt Airport. Transportation to and from the Sunshine Coast has to be improved to accommodate the needs of our increasing population.

A repetitive complaint from tourists who come to the Sechelt Visitor Centre is the time and money involved in taking the ferries. The implementation of regularly scheduled air service would certainly increase tourism, ultimately benefitting the economic vitality of our community.

It is time for the Sunshine Coast to upgrade our airport and I am delighted that this is a priority of the District of Sechelt.

Sincerely,

Bronia Kingsbury, Manager
